OUTLINE OF CHAIRPERSON'S REPORT

Student's Name: *Anne Anderson*

Date: *31 Oct 2013*

I. Major Concerns – List concerns relative to Problem, Review of Literature, and Design.

*More detail needed in research methods*

II. Summary Statement – Brief statement regarding resolution of concerns.

*Candidate will further explicate methods.*

III. Human Subjects Certification – IRB Approval

- A. Does this research use data related to human beings? Yes  No
- B. Has the candidate appended a copy of a current Certificate of Completion of Education in Human Subjects Protection in the proposal document? Yes  No

If no, indicate date when this will be completed. Student is responsible for filing a copy of the certificate with the COEDU Associate Dean for Academic Affairs within one week of successful completion, and is responsible for ensuring certification is current throughout the dissertation project.

- C. If yes to A & B, student is responsible for submitting a “Request for Review by Institutional Review Board (IRB) for the Protection of Human Subjects in Experimentation” form to the Division of Sponsored Research. Approval from IRB must be obtained prior to your initiation of your research. Student is responsible for filing a copy of the approval with the COEDU Associate Dean for Academic Affairs within one week of receiving approval.

IV. Attachment – The major professor prepares a list of the recommended changes and sends copies to the student, and the committee members. The Proposal Chairperson attaches the list to this form and forwards to the COEDU Associate Dean for Academic Affairs.

The Proposal Chairperson is responsible for reminding the major professor and student of their responsibilities for IRB training, IRB approval, and filing documentation of each with the COEDU Associate Dean for Academic Affairs.
